

Collab EMeet M2 Max

THE PROFESSIONAL SPEAKERPHONE

Built-in Voice AI Technology With Multiple Connection Methods

The M2 Max offers 4 condenser microphone to give a 360° pickup pattern in total. Built-in voice AI technology minimise echoes, and measures the surrounding space in order to provide the best acoustic response.

Connects to sources over USB, Bluetooth or a 3.5mm auxiliary jack. Thanks to its reactive noise-cancelling technology and the ability to daisy-chain two units together, you can use the M2 Max for conference calls in small, medium, and even open-area workspaces.
